## EXPLANATORY NOTE

The Editor of this HANDBOOK is under lasting obligations to all who in any way furnished the data for the HANDBOOK.

The Secretaries of the eighteen Annual Conferences sent the names, addresses, appointments or occupations of their respective delegates.

The Chairman of each Annual Conference delegation sent in the Committee Assignments for his respective Conference.

The Jurisdictional Statistics were compiled by the Annual Conference Secretaries and sent in. In Conferences where mergers took place this was no easy matter, as in some instances sections of four or five other Annual Conferences were merged into another Annual Conference.

Any errors discovered in this publication should be reported to the Secretary of the Jurisdictional Conference in order to avoid their repetition in the Journal of the Jurisdictional Conference.

In the back of the HANDBOOK will be found some blank pages for the convenience of the Delegates.

## JURISDICTIONAL MEMBERSHIP STATISTICS

| | |
|---|---|
| Northeastern Jurisdiction | 1,609,580 |
| Southeastern Jurisdiction | 2,054,779 |
| Central Jurisdiction | 344,671 |
| North Central Jurisdiction | 1,814,572 |
| South Central Jurisdiction | 1,376,700 |
| Western Jurisdiction | 385,976 |
| | 7,586,278 |

These statistics were compiled from reports sent in by the Annual Conference Secretaries and do not include the membership of the Missions in the respective Jurisdictions. In Conferences where mergers took place it was no easy task to compile statistics, as in some instances from four to six sections of different Annual Conferences were brought together and merged into another Annual Conference. Under the circumstances the above statistics are fairly accurate.

after recognition, proceed to the speaker's platform, where, before speaking, he shall give the Chairman, in writing, his name and that of the Annual Conference from which he comes; which, in turn, the Chairman shall then announce to the Conference.

Rule 7. No member who has the floor may be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of the Conference to the fact that the time has arrived for a special order, or to raise a very urgent question of high privilege.

Rule 8. No member shall speak a second time on the same question if any member who has not spoken desires the floor, nor more than twice on the same subject under the same motion, nor longer than ten minutes unless his time shall be extended by the Conference, except as provided in Rule 35.

Rule 9. A member claiming the floor at any time for what he believes is a very urgent question of high privilege, shall be allowed to indicate briefly the nature of the question, and if it be adjudged by the Chair to be such, he may proceed at his pleasure or until the Chairman judges that he has exhausted his privilege. (See Plan of Organization, Section III, Paragraph 1. Item 6.)

Rule 10. Only delegates within the area of the Conference when the vote is taken shall be entitled to vote. All delegates within the area at the time a question is put, shall vote, except such as shall have been excused for special reasons by the Conference.

Rule 11. Voting shall be by a show of hands unless otherwise ordered by the Conference. An "aye" and "no" vote, if taken, shall be by signed ballot. A count vote may be ordered on call of any member supported by one-fifth of the members present and voting, in which case the delegates shall rise from their seats and stand until counted. It shall be in order for the Conference to proceed with business which can be appropriately fitted into the time while waiting for the report of the Secretaries on a count vote or an "aye" and "no" vote.

Rule 12. Before a vote is taken any delegate shall have the right to call for a division of any question, if it is subject to such division as he indicates. If no delegate objects, the division shall be made, but if there is no objection the Chair shall put the question of division to vote, not waiting for a second.

Rule 13. The ministerial and lay delegates shall deliberate as one body; but upon a call, by motion, of any delegate, seconded by another delegate of the same order and supported by one-third of the members of that order voting, the ministerial and lay delegates shall vote separately. But when the Conference votes by orders no measure shall be passed without the concurrence of a ma-

jority of both classes of delegates. In cases of such a vote the order calling for it shall vote first; provided, however, that the Conference may not vote by orders on a proposed amendment to the Constitution. (*Discipline*, 1939, Paragraph 10, Item 2.)

Rule 14. No other item of business shall be in order when a vote is being taken or when the previous question has been called until the process is completed, except as provided in Rule 11.

## IV. Business Procedure

Rule 15. Resolutions and committee reports shall be presented in triplicate; and when requested by the Secretary, motions including amendments shall be presented in writing.

Rule 16. All resolutions, committee reports, and communications to the Conference shall be read by the Secretary except as otherwise provided in Rule 32. When a motion is made and seconded, or a reslution is introduced and seconded, or a committee report is read or its publication in the *Daily Advocate* cited by the Secretary of the Conference, or any other, it shall be deemed to be in possession of the Conference.

Rule 17. The following motions shall be acted upon without debate:

(1) To adjourn, when unqualified, except to adjourn the Conference finally.
(2) To suspend the rules.
(3) To lay on the table, except as provided in Rule 35.
(4) To take from the table.
(5) The call for the previous question.
(6) To reconsider a non-debatable motion.
(7) To limit or extend the limits of debate.
(8) To call for the orders of the day.

Rule 18. The main question may be opened to debate under the following motions: To adopt, to commit, to substitute, to postpone, and to reconsider. No new motion, resolution, or subject shall be entertained until the one under consideration shall have been disposed of except as provided in Rule 11; but one or more of the following motions may be made, and they shall have precedence in their order—namely:

(1) To fix the time to which the Conference shall adjourn. (This motion is subject to amendment, or it may be laid on the table.)
(2) To adjourn.
(3) To take recess.
(4) To order the previous question.
(5) To lay on the table.
(6) To postpone to a given time.
(7) To limit or extend the limits of debate.

(8) To refer.
(9) To amend or to substitute (one amendment being allowed to an amendment or a substitute).
(10) To postpone indefinitely.

Rule 19. When a motion to adopt a resolution or a committee report is pending (even if amendments thereto are also pending), a substitute therefor may be offered to any member moving that the same be substituted for the resolution or report under consideration. This motion to substitute then becomes the immediately pending question and may itself be amended; but the question of making the substitution shall not be put to vote until the original proposition is completed by action upon any amendments thereto which may be pending and by providing opportunity for other amendments to be offered and adopted if desired. If the motion to substitute prevails, the substitute displaces the original question and its adoption becomes the pending question. It shall not be in order to offer a substitute for an amendment, but it shall be in order to offer a substitute for a section of a resolution or committee's report which is being considered *seratim*.

Rule 20. When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), he shall indicate to what he intends it to apply, if any secondary motion or motions are also pending. If he does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without a debate and if adopted the vote shall be taken on the motion or motions to which it applies without further debate except as provided in Rule 35.

Rule 21. It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

Rule 22. A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

(1) One-fifth of those present and voting shall suffice to sustain a call for an "aye" and "no" vote, or a count vote in case the decision of the Chair is doubted.

(2) A call for vote by orders shall prevail if sustained by one-third of the members of the order from which the call came, present and voting.

(3) A two-thirds vote shall be required to sustain a motion to suspend or amend the rules, to set aside a special order, to consider a special order before the time set therefor, or any motion whose adoption would limit debate.

Rule 23. A motion to reconsider an action of the Conference shall be in order at any time if offered by a

member who voted with the prevailing side. If the motion it is proposed to reconsider is non-debatable, the motion to reconsider may not be debated.

Rule 24. The Secretary shall keep a chronological record of Orders of the Day and of reports of committees (see Rule 30) and this record shall be called the Calendar, and the matters of business placed on it shall be considered in order, unless by a two-thirds vote of the Conference an item is taken up out of its order.

Rule 25. The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except

(1) When a delegate has the floor.

(2) When a question is actually put, or a vote is being taken, and before it is finally decided.

(3) When the previous question has been ordered and action thereunder is pending.

(4) When a motion to adjourn has been lost, and no business or debate has intervened.

(5) When the motion to fix the time to which the Conference shall adjourn is pending. The foregoing does not apply to a motion for final adjournment of the Conference.

## V. Committees: Duties and Prerogatives

Rule 26. The Secretaries shall constitute the committee for distributing the Episcopal Address, and the adoption of their report shall be notification to the committees.

Rule 27. Every committee of the Jurisdictional Conference is hereby authorized to delegate to the Chairman and Secretary of the committee the duty of preparing and presenting to the Jurisdictional Conference the action taken by the committee on any given subject, and every committee is authorized to grant to a minority of the committee the right to draft and to present to the Jurisdictional Conference a minority report without reading the same before the full committee, provided the substance of the said minority report has been stated to the committee.

Rule 28. When a memorial or resolution or any such item is referred to one of the several Legislative Committees, it shall be understood that the whole question with which the paper has to do is referred to that committee for such action as it may deem wise. Committee reports on resolutions, memorials, petitions, etc., shall cite the same, identifying them by the numbers they bear, respectively, in the published reports of the Committee of Reference, or in some other suitable manner. Legislative Committee reports recommending *nonconcurrence* shall be kept upon a separate Calendar to be taken up when the regular Calendar is exhausted or at the pleas-

ure of the Conference, except when a minority presents a report recommending concurrence, in which case both shall be included in the Calendar in regular order.

When a committee ascertains that another committee is or should, in its judgment, be considering a subject which the former is also considering, it shall proceed to arrange for a conference of representatives from the respective committees in order to settle the question at issue. If by this process agreement as to location of responsibility cannot be reached, the matter shall be referred to the Committee of Chairmen.

Rule 29. Reports from committees, and all other papers which purpose an alteration in the Restrictive Rules of the Church, shall state the alteration proposed to be made, and the form of the motion shall be: "Will the Southeastern Jurisdictional Conference recommend to the General and Annual Conferences the change indicated above?"

Rule 30. At the close of each day's meeting the Chairmen and Secretaries of the several Legislative Committees shall provide the Secretary of the Conference with copies in triplicate of all reports adopted by their respective committees for presentation to the Conference. The Secretary shall enter said reports on the Calendar in the order in which they reach him and shall furnish the editor of the *Daily Advocate* with one copy of each of the said reports for publication in the next day's issue. Reports from committees (and minority reports) recommending proposed changes in the *Discipline* shall give chapter, section, and paragraph to be affected, and the language as it will read if and when adopted.

Rule 31. A report of any committee signed by the Chairman and Secretary thereof shall be regarded as in possession of the Conference and in order for consideration at its pleasure on the next day after its first appearance in the *Daily Advocate*. The same rule shall apply to a report of a minority of any committee signed by one-tenth of the members of the committee or by ten members thereof.

Rule 32. All committee reports shall be presented to the Secretary of the Conference in triplicate on paper provided therefor, and bearing at the top the name of the committee, its total membership, the number present at the time the report was adopted, the number voting for and the number voting against the report. Reports of the committees shall be printed in the *Daily Advocate* at least one day before being presented for consideration by the Conference, and they shall not be read unless by its order.

Reports of minorities of committees adopted by them with a view to their being offered as substitutes for com-

mittee reports shall likewise conform to this rule so far as it is applicable, indicating clearly to what committee the respective minorities belong and for what reports by serial numbers, etc., they propose the respective substitutes.

Rule 33. When the Chairman of a committee is not in harmony with a report adopted by the committee, it shall be his duty to state the fact to the committee, which shall elect one of its members to represent it in the presentation and discussion of the report in the Conference; but if, in such a case, the committee shall fail to select a representative, the Chairman shall designate a member to represent the committee, and said representative shall have all the rights and privileges of the Chairman in relation to such report.

Rule 34. A member selected by the signers of a minority report of a committee to present the same shall have the same rights and privileges in relation thereto which belong to the Chairman in the presentation of the regular (majority) report of the committee, except that he may not present said minority report until the majority report has been presented and shall then offer it as a substitute therefor, and except, further, that in closing the debate on the question of making the substitution the member presenting the minority report shall speak first and the Chairman last. (See Rule 19.)

Rule 35. When the report of a committee is under consideration, it shall be the duty of the Presiding Officer to ascertain, when he recognizes a member of the Conference, on which side he proposes to speak, and he shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desires to speak on the other side thereof.

No report shall be adopted or question relating to the same decided without opportunity having been given for at least one speech for and one against the said proposal; providing this right is claimed before the Chairman or duly authorized member representing the committee's report or the minority report, if there be such, is presented to close the debate.

When all have spoken who desire to do so, or when (and after) the previous question has been ordered, the Chairman or/and duly authorized member or members presenting the committee's report (and the minority report if there be one) shall be entitled to speak before the vote is taken.

The Chairman shall be entitled to speak before the vote is taken even after the previous question has been ordered.

Rule 36. The adoption of the report recommending concurrence shall constitute a legal enactment.

### VI. Suspending, Amending, and Supplementing

Rule 37. The operation of any of the provisions of this Plan of Organization or these Rules of Order may be suspended at any time by a two-thirds vote of the Conference.

Rule 38. This Plan of Organization and these Rules of Order may be amended or changed by a two-thirds vote of the Conference; provided the proposed change or amendment has been presented to the Conference in writing and referred to the Committee on Rules, which committee shall report thereon not later than the day following.

Rule 39. In any parliamentary situation not clearly covered by this Plan of Organization or these Rules of Order the Jurisdictional Conference shall be governed in its action by Robert's Rules of Order Revised.

COMMITTEE ON RULES:

T. D. ELLIS, *Chairman;*
LUD H. ESTES, *Secretary;*
